Hardin County Performance Series is proud to present the premiere Shadow Illusion company in the world. Famous as a finalist on NBC's "America's Got Talent," Catapult is an imaginative combination of dance, story-telling and sculpture that illustrates the human body's ability to transform. The talented Catapult dancers work behind a screen to create seemingly impossible dancing shadow silhouettes of shapes from the world around us. The show, The Amazing Magic of Shadows is packed with hundreds of shape transformations, full of humor, emotion, and engaging stories.
